
The last hotlink in Mega Lighting articl

When I click on the hotlink in the Mega Lighting article in Cyrus' last comment I go here:
http://megashot.net/component/option,com_mycontent/task,view/id,40/Itemid,58/ and I am not allowed to view this resource. Secrets, secrets, secrets :dry:

That's strange. It points to the Shooting Ants article by Cyrus.

Is anyone else having the same problem?
